The Sangiovese is aged for 18 months in large oak barrels.

The Merlot and Cabernet Sauvignon are aged for 12 months in barrique

Quintessence and Baron medium roast.

PRIMA DOMUS

History

The Prima Domus project was born with Virtus right in 2020, this first vintage is the fruit of the years of tastings and visits to wine territories that Emanuele and Stefano have undertaken during the last 6 years as communicators in the wine world.

For them, wine is sharing and joy, which is precisely why they set out to produce this first wine.

In the glass you can find exactly what for them is the highest expression of the taste sensations they love.

Freshness, immediacy and elegance.

Tasting notes

Virtus 2020 shows a brilliant ruby red color. The nose surprises with great complexity: notes of red fruit, strawberry and pomegranate, slight vanilla nuances make the nose persuasive and satisfying.

Slight toasty notes peep out and every minute that passes allows the wine to open up more and more making the experience a true kaleidoscope of sensations.

In the mouth is elegant, balanced, the freshness is perfectly integrated with the silky tannin that brings the tasting experience to intense and rich sensations.

The finish is long, persistent and very satisfying.

After the first glass you will see that more will follow; freshness and drinkability are the cornerstones of Virtus 2020.
